Innes, J.L. and J.A. Timko (editors). 2007. Proceedings of the “Monitoring the Effectiveness of Biological Conservation” Conference, 2-4 November 2004, Richmond, BC. URL: <http://www.forrex.org/events/mebc/papers.html>

# TABLE OF CONTENTS

---

**Introduction ..... 8**  
John L. Innes and Joleen A. Timko

## **PART 1: MONITORING FOR EFFECTIVENESS**

---

**Effectiveness Evaluations – A primer for making them truly effective.....10**  
Bryce Bancroft, Ken Zielke, Laurie Kremsater, Peter Bradford, Frank Barber and  
Richard Thompson

**The Ineffectiveness of Effectiveness Monitoring in Sustainable Forest.....17**  
**Management: Asking the wrong questions**  
Melissa A. Todd, Lisa Mahon, Robert J. Higgins and Todd Mahon

**Effectiveness Monitoring of Biodiversity in Dynamic Environments: .....33**  
**Is it possible?**  
Craig R. Nitschke, Gordon M. Hickey and John L. Innes

## **PART 2: THE HUMAN ELEMENT: SOCIETY & STEWARDSHIP**

---

**Increasing the Effectiveness of Conservation in British Columbia.....46**  
**Through the Use of Extension**  
Karyn A. Sutherland and Susan M. Leech

**Incorporating the Human Element.....63**  
Shannon Janzen and Glen Dunsworth

**Conserving Cultural Values: Are the indicators and targets.....72  
being used working?**

Charlene Higgins

**Gap analysis in conservation planning for cultural & less culturally.....83  
modified landscapes: Prospects for northern Garry oak ecosystems in  
British Columbia.**

Gordon Brent Ingram and Lindsay Upshaw

**The role of stewardship in ecological rehabilitation and monitoring, or.....98  
why using local knowledge and expertise can mean getting it done  
right in the first place!**

Pamela Zevit

**Utilizing Education for Monitoring the Restoration of a Low Elevation.....106  
Forest Ecosystem**

Erin Schneider and Robby Astrove

### **PART 3: MONITORING AT THE LANDSCAPE LEVEL**

---

**Evaluating Regional Environmental Monitoring Programs: .....114  
An ecosystem approach applied to south-central Ontario, Canada**

Robert J. Milne and Lorne P. Bennett

**The Alberta Biodiversity Monitoring Program (ABMP): .....128  
a cost-effective, multi-species, broad-scale, long-term  
biodiversity monitoring program**

Jim Schieck
